

Uniform Policy: St. Malachy students wear uniforms and uphold a dress code to mark themselves as part of a team, as academy learners, and as members of a community. By wearing their uniforms, students help build the school culture and an expectation for readiness to learn. We create a learning environment in which students are free to express themselves through relationships and interactive expression, outside of physical appearance and without relying on material possessions, creating an even playing field, so that all students feel included and supported.

Our school uniform partner is Flynn O'Hara Uniforms. The easiest way to get your child's uniform is to visit the website at <https://flynnohara.com/shop/st-malachy-school-pa780/>, then input your child's grade and gender. Or you can go to any Flynn O'Hara store and tell them your child goes to St. Malachy school and share your child's grade and gender and they can help you. For reference, we have the uniform details listed below. All items listed *can* be purchased from Flynn O'Hara, and **all items with an asterisk* must be purchased from Flynn O'Hara**, our school uniform partner.
